Hanging fixtures kg	Vehicle access kg	Natural light	Blackout facilities
Maximum load 150	6x5 m	NO	YES

MAIN FEATURES

Hall 7 is a large, flat, open, well-lit space with excellent acoustics, where the dark wooden ceiling is in beautiful contrast to the shiny floor, creating a welcoming environment. The ideal location for large-scale exhibitions as well as congresses, gatherings, shows, concerts, sporting events and catered events.

DEVELOPMENTS ON REQUEST

Alternative outfitting projects subject to feasibility studies
